 November 6-11
 Sponsor: Nortel

A new service: Audiocast

- All rooms, all the time
- Commonly-used audiocast technology (no MBONE needed)
- Low budget in people time
- First time we tried it
- At least 115 different listener IP addresses so far

Welcome to the plenary!

Use of Plenary Time

- Please – make your remarks short and to the point
- Remember to speak clearly – many of us don't come from the US
- Welcome to the plenary!

Issues raised
